

在難民營義診 Free Clinic in Refugee Camp

庫爾德斯坦 骨科醫療短宣隊 Kurdistan Short-term Orthopedic Mission

13-25/01/2019

美國天鄰骨科隊到伊拉克北部Zakho為難民義診及做手術。
難民以雅茲迪(Yazidi)人為主，他們是因為逃避伊斯蘭國武裝分子的種族滅絕而淒身難民營。醫療隊用當地政府醫院為病人診治。

An orthopedic team was sent to Kurdistan Region of Iraq to provide free services to the Yazidi from refugee camps. The refugees are victims of ethnic cleansing from ISIS attack. The team used the government hospital in the city of Zakho to provide the services.
